Fellow Members,

I want to personally express my appreciation and gratitude to all that were able to attend the 2008 conference and to those who stayed behind making it possible for your co-workers to attend. The 41ST FAPPO Annual Conference – **Changes, Challenges and Choices** – is now history and a conference not soon to be forgotten. Personally, these wonderful memories will stay with me for the rest of my life. The Volunteers, Executive Board and Committees did a truly outstanding job with the event – keeping all attendees busy - at all times, and the weather was perfect for the entire event.

I trust that you not only had fun, but that you had fun learning and were able to take back the excitement and momentum of your experiences to your agency and co-workers. The numbers: we had a total of 220 registrations for the week, with an average daily attendance of approximately 190 attendees and 31 first time attendees!

It takes about 40 people to make up the various committees that take care of the needs of this association over the course of a year. When you see a committee member at one of the conferences, please take the time to stop and say thank you. It's for all of you and your benefit that these people volunteer and get involved. They volunteer their time and energy to make FAPPO the success that it is year in and year out. I challenge each of you to get involved with the leadership and take an active role in the future of your association!

Thanks to our Sponsors and Exhibitors, the golf tournament and trade show was a tremendous success and we received positive feedback from all of the suppliers. Congratulations to Danielle Gilbert and Neil Appel for winning the Grand Prize drawing of next year's FAPPO conference registration complete with hotel accommodations at the Peabody in Orlando!

Congratulations and a big Welcome to Mark Raiford, City of Lakeland Purchasing Manager as our incoming Officer, Secretary. Also, please welcome your Executive Director, Craig Rowley is on board to assist all members not just the Executive Board.

I am privileged to have been in a position to recognize the following individuals for their talent and contributions to this association. They set the standard for giving and accomplishment in the purchasing profession and this association. Congratulations to John Klatt, on being awarded the 2008 Above & Beyond Award; Rhonda Ledford, in recognition of her being awarded the 2008 Distinguished Service Award; and the 2008 Volunteer of the Year Award was given to Linda Smith and Ranae Smith (not related).

Thank you for allowing me the honor and privilege to have served as your president. During the course of the week, someone stopped me and said, "Cheri, you have made all of us feel warm and welcome and a part of what is going on this week." It has always been my desire to make everyone feel that they are a part of this association. Your support at all FAPPO events is important and needed. I will always treasure the time spent representing each of you, as well as the opportunity that you gave me.

Warmest personal regards,

Cheri J. Alexander
FAPPO President 2007-08

FAPPO OFFICERS

Cheri Alexander — President **Denise Schneider — Vice President**
Marian Howe Pace — Treasurer **Johnny Richardson — Secretary**

From your Vice-President

This year as part of a go-green effort and to save all of those trees, we did not print up the presentations for the conference, but instead posted them to the FAPPO webpage. These presentations are available for **ALL** of our members to view and to use. For those of you who were unable to attend the conference, feel free to download any of the presentations and use them as a training tool, or just share them with your staff. We will leave these on the website until the end of July. FAPPO is truly blessed to have such great instructors who belong to our organization and who are always willing to share their experience and knowledge with the rest of us. For those of you who were able to attend the conference, we hope you enjoyed the multiple tracks of learning or were able to attend either of the State classes that were offered during the conference. We would appreciate any feedback for future FAPPO classes or State Classes that could be offered next year. Feel free to contact myself or Marian Howe Pace with your recommendations. I am looking forward to serving as your President and promise to bring you some innovative ways that you may be able to attend next years conference during this big budget crunch that is affecting all of us. As always, I look forward to any of your suggestions and recommendation to make FAPPO an even greater organization.

Denise
